Precision Pours

Available is our FLIP TOP SEAL pours with cap molded into the spout to keep bugs and dust out. Liquor Pours are available in the following sizes. 1 oz, 1-1/4 oz, and 1-1/2 oz. Specify size and color when ordering.

New wrap around cork provides a better seal for easier removal from the bottle.

New valve added for a smoother pour, less maintenance, and no after drip... no waste!

New bottom design ensures that the internal ball bearings will never (& we mean never) fall out, into the bottle.

PRECISION POUR™
3 BALL LIQUOR POUR
Measured Pour
(without collar)

PRECISION POUR™
3 BALL LIQUOR POUR
Measured Pour
(with collar)

New lock-on collars allow for easier removal from the bottle...less breakage and no sharp edges.

New primer ring channels liquor around the inner ball bearing for a more accurate pour... also works well on cordials.

State of the art manufacturing makes the PRECISION POUR™ the most accurate and durable plastic liquor pour available.
